Cheri's Story

Cheri has spent her whole life making pizzas. She has been serving her unique style of pizza to three generations of Tri-State residents. For more than 33 years, she has built a following that has not only enjoyed her pizza, but has enjoyed her company as well.

Cheri is a graduate of Marshall University, and she still lives in Huntington, West Virginia. Pizza is not her only love though. Cheri is an avid golfer and has been ranked in the top 10 golfers in West Virginia the last 15 years.

So, if you want to eat a great pizza and make a great friend, Cheron's Pizza is the place for you!
